PROPERTY SERVICE SEWER PLANS

Dear Sir/Madam,

Following changes to Water Authority charges, property service sewer plans will increase on the 1st August 2023.

CIS Services Pty Ltd, trading as; Casey Inspections, has been advised by Greater Western Water (*City West Water*), Gippsland Water, Coliban Water and Central Highlands Water that the cost of property service sewer plans will increase and come into effect on the **1st August 2023**, as they are listed below. **Please note:** *North East Water has elected not to increase sewer plan prices in 2023-24*

Water Authorities	2023-24 Plumbing Supply Stores and Large Account Holders <u>10% discounted</u> on property service plan prices, where applicable	2023-24 legislated retail CASH price of a Property Service Plan from the 1st August 2023
Greater Western Water (<i>City West Water</i>)	\$32.49	\$36.10
Central Highlands Water	\$38.86	\$43.18
Gippsland Water	\$31.85	\$35.39
New East Water (<i>No increase</i>)	\$27.36	\$30.40
Coliban Water	\$31.41	\$34.90

Water Authorities	Regions Covered
Central Highlands Water	Ballarat & extended region
Greater Western water (<i>Previously City West Water</i>)	Melbourne CBD, Western Suburbs
Coliban Water	Bendigo & extended region
Gippsland Water	Traralgon & extended region
North East water	Wodonga & extended region

The new prices are fixed for the next twelve months and will be reviewed in June 2024. Plumbing Supply Stores and Large Account Holders will be invoiced 10% less than the new cash sale price, for each plan sold through the network of stores and entities.

Please note: *The discounted price for property service plans will only apply to account holders that request 10 or more PS Plans per month, account holders not achieving the 10 PS Plans per month will be charged the new retail cash price, and invoiced monthly*

CIS Services appreciates the involvement of plumbing supply stores and large account holders in the sale and distribution of property service sewer plans, to customers and the extended building and plumbing industry

Yours Sincerely,

Peter Lamborn
