Please note:

When ordering a property services sewer plan ("PSP") of the internal "as constructed" drainage layout, print and complete the request form and email to plans@cis1.com.au. At CIS Services, security of your credit card data is paramount, so do not endorse the form with your credit card details, nor include them in your email when returning the form. Our staff will call you to process your payment in compliance with bank, card handling standards, as credit card details are not stored or filed onsite. If this process is not to your liking you can purchase a PSP through one of the larger plumbing supply companies like Reece or Tradelink or call CIS Services direct on [03 8849 9186](tel:0388499186) and provide the details
